Upper Sandusky Senior High School has for five years been the Alma Mater of a cross-section of students with myriad backgrounds and interests. It is hoped that this school is and will continue to be, a symbol of educational striving and achievement.

The top half of the image features a black background with a large, bright, five-pointed star in the upper right quadrant. Scattered around it and across the upper half are approximately 15 smaller, white, diamond-shaped stars of varying sizes and orientations. Below this celestial display, a quote is centered in a white serif font.

"Ideals are like stars: you will not succeed in touching them with your hands; but like the navigator, if you choose them as your guides and follow them, you will reach your destiny."

FACULTY

The teaching staff of Upper High serve as navigators for the students. Through their counseling and teaching, the students are guided toward better goals and higher standards for themselves.

Superintendent--Mr. Howard Smith

Under the co-ordinating efforts of Mr. Howard Smith, our Upper Sandusky Superintendent of Schools, this education system has continued to run smoothly and coherently. Mr. Smith has often commented that he would like to associate with the student body more frequently in order to gain a better understanding of school problems. However, with co-ordinated efforts, Mr. Smith has aptly handled all the system's problems in an organized and efficient manner. The Upper Sandusky School System would like to express their appreciation for Mr. Smith's excellent leadership.

With the qualified and able leadership of our school principal, Mr. Lee A. Kirkland, the high school has sailed smoothly on seas of trouble or harmony.

Having completed four years of service, Mr. Kirkland has gained valuable experience in working with students and in encouraging their incentive to acquire an education. The Senior class of 1967 wishes to express their appreciation and gratitude for his helpful and able assistance through their four years of high school.

Cooks, Janitors

Our janitors, Mr. Robert Spitler, Mr. Irvin Tooman and Mr. Ernest Shilling, deserve a lot of unexpressed gratitude for keeping the school clean and ordered. They also often put a little variety into school life.

The responsibility of getting the students to and from school on schedule rests with the bus drivers of Upper Sandusky High School.

Every day at noon there is another staff who hear the rumbling of feet as hungry students rush to the lunch line. This staff is the hardworking cooks who put a lot of work into preparing the school lunches. A word of appreciation is due them to thank them for the excellent meals which have sustained the students through their busy day.

SENIORS

The seniors of U.S.H.S. have approached the end of their voyage. After their graduation, some of them will further their education; others will find jobs. Most of the seniors feel that their stay at U.S.H.S. has been rewarding because it has given them a pride in learning, a better outlook on life, and desire to become better citizens.

End Is Only Beginning

CLASS OFFICERS: Treasurer, Van Orians; Secretary, Steve Eatherton; President, Tom Eyestone; and Vice-President, John Sebenoler.

CLASS SPONSORS: Mr. Robert Scherger and Mr. Allen Walton.

THE PICTURE OF A SENIOR

The Senior is a melting pot of myriad colors. Before entering high school, the Senior was a somewhat blotchy and confused piece of canvas, needing the paintbrush of education to give him color and organization, personality and texture. With the help of the faculty and other students, shades of determination, skill, eagerness for knowledge and wisdom, and leadership were worked in to make a more balanced individual. This gave the picture thoughtfulness, and a tinge of curiosity. However, a few strokes of the brush also brought in interest, enjoyment and understanding. Nevertheless, the picture wouldn't be complete without a tint of patience, sportsmanship, and a sense of ideals. After this once-confused, blotchy canvas is finished and framed with the high school diploma, it then goes out into the great art gallery of life. This is a fitting picture of the Senior.

ACTIVITIES

Many students participate in the various extra-curricular activities which are offered at Upper High. These activities not only make their voyages more enjoyable, but they also help to develop the interests of the students in many areas.

Council Revises Charter

SEATED: Barb Eier, Jane Mollenkopf, Kathy Schoenberger, Janet Gwinner, Nancy Mewhorter, Rebbie Schnepf, Tom Bell, Tom Eyestone. STANDING: John Ulrich, Dan Niederkohr, Dean Nickless, Dick Eyestone, Jim Welly, Vikki McAllister, Dave Harsh, Debbie Romich, Don Liles, Phil Logsdon, Roger Wilson, Rhonda Stumpp, Kathy Lear, Carol Binau, Cheryl Kimmel.

The Student Council is a school governmental body whose members represent all the organizations in the school. These students are the individuals who work for better student-faculty relationships and try to meet the requests of the student body. This year the Student Council was led by President Tom Bell, Vice-President Rebbie Schnepf, Secretary Nancy Mewhorter and Treasurer Tom Eyestone. In order to better accommodate the various election of officers, the council revised this year's charter. Under this revision, candidates may be nominated by petitions. The Student Council has done a good job in attempting to meet the needs and requirements of student government.

Another duty of the Student Council is decorating the Christmas tree in the Commons.

Key Club in Second Year of Service

Mr. Karikas and Key Club members admire the trophy they earned for winning Key Club Divisional Basketball Tournament.

The Key Club is a fairly new service group organized for sophomore, junior, and senior boys. Organized now for two years, this year it is under the leadership of President Phil Logsdon, Vice-President Larry Ross, Secretary Jeff Smith, and Treasurer Steve Moore. The Key Club won, for the second consecutive time, the District II Key Club Basketball Tournament Trophy. Under the advice of Mr. Charles Karikas, the Key Club aids boys in developing competitive spirit.

As they progress in singing ability, they become better material for the larger choir. This year's officers were President Jim Hull, Vice-President Dirk Binau, Secretary Margie Miller and Treasurer Linda Moon. This vocal group did well in representing their class and in showing their musical progress.

Choir for Frosh

The youngest group of singers in the musical department is the Mixed Chorus, which is composed of all Freshmen. They participate in both spring and winter concerts with the more select choirs. Mr. Ronald Schuyler works with these students to start them on their way toward musical skill and ability. Learning proper breath control and sight reading are two important steps in developing satisfactory skill that will allow them to progress to the better choirs. These Freshmen will be eager to don the robes of the Sophomore choir next year.

One of the active intramural sports is bowling, a sport calling for good balance and precision. This year there were over ninety students participating in this sport. The students were all freshmen, sophomores, juniors and seniors. Every Monday and Tuesday after school, one of the two leagues competed against the other teams. The league pictured here played on Tuesdays after school. The league pictured on the facing page played on Monday's. Both the leagues were coached by Mr. Richard Lab and Mr. Dale Perez.

After their full seasons of competition was finished, the teams that won the semi-finals were the All-Americans and the All Stars, and the All Pros and Barons. The champions for the full year were the Barons. On March 6, 1967, the bowling leagues held a banquet at the Evergreens Restaurant. At this gathering, awards and recognition were given to those outstanding teams or accomplished individuals.

HI LITES

Cultural, intellectual, and social development are three of the goals which USHS tries to provide for the students. Through its concerts and assemblies, students are given the opportunity to gain more cultural and intellectual qualities. The dances, especially the prom, provide the students with a unique social experience.

Vikki

One of the annual highlights is the crowning of the homecoming queen. This year the lucky girl who was honored with the homecoming crown was Senior Vikki McAllister, escorted by Van Orrians. Members of her court were Nancy Mewhorter escorted by Mike Lucas, Bev Tivenan escorted by Dean Nickless, Rebbie Schnepf escorted by Jim Neumeister, and Pat Kinley escorted by Bruce Grafmiller. The queen and her court are chosen by a vote of the student body, the results of which are known neither by the voters nor the candidates until the game. Vikki's tearful delight is then explained as she is crowned Homecoming Queen of 1967, by Mr. Kirkland.

Prom King and Queen

One of the highlights of the annual Prom is the crowning of the king and queen. As the guests arrived at the social event, they voted by ballot for their choice of candidates to receive the crowns. This year the honor was given to Miss Debbie Romich and Tom Bell. Crowned by Prom Chairmen Bonnie Baker and Andy Koehler, these two students were then honored for the remainder of the formal affair. The members of the king and queen's court were Rebbie Schnepf, Vikki McAllister, Patty Kinley, Nancy Mewhorter, Tom Eyestone, Van Orians, Dan Niederkohr, and Dean Nickless. After the king and queen were crowned, they led the following dance, the music being played by the John Kennedy Orchestra.

Mollie Reigns As Queen

Queen Mollie was very pleased to have this honor bestowed upon her.

Mollie Graham was chosen by members of the Symphonic and Activities Bands as reigning Band Queen of 1966-67. She has shown her leadership qualities during the marching season when she was a drummer and these qualities continued into the concert season.

Barbara Scott admitted to the police at the scene of the crime that she was guilty of shooting Chester Arthur Brant. This was just a cover up for her sister Janice Scott who was not proven guilty. Edith Scott, their oldest sister, took Barbara's case to court and acted as the defense attorney. The audience served as the jury and found the defendant not guilty.

The clerk listens intently as the case develops.

The bailiff waits to call the next witness

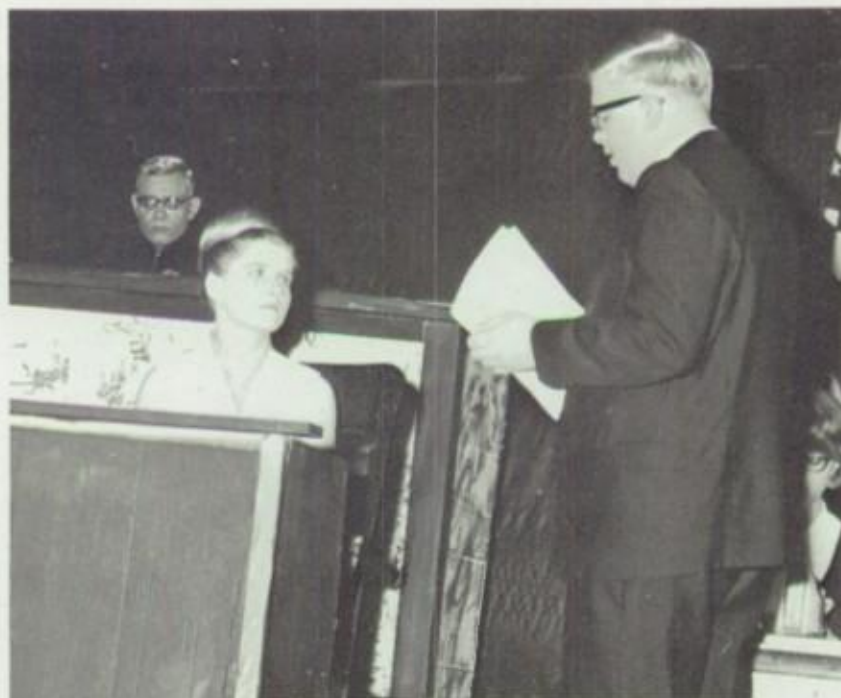

"You the Jury"

"Why were you mad at Mr. Brant when he sent you to the movies?" "It was terrible. It was one of those outer space movies where crickets take over the world."

"Now Mr. Perry . . ." "Call me Jimmy, makes me feel adjusted."

"Were you in the habit of seeing Brant frequently?" "Oh my yes, I would drop in at his apartment or he would drop in at mine quite frequently."

"Barbara, why did you tell the police that you killed Chester Arthur Brant?" "Because I thought Janice had done it, and I wanted to help her, to shield her."

Bonnie Baker and Andy Koehler organized the prom effort.

Mr. Hisson, the prom advisor, discussed the success of the prom with a couple.

Juniors work to add the finishing touches to the highlight's decoration.

Prom Tinted with

The major event of the year was the annual Prom, entitled, "Three Coins in a Fountain". Advised by Mr. Floyd Hisson, the Juniors were successful in creating a lovely event which was tinted with flairs of Rome and Greece.

Marselyn Johnson works to finish the canopy for a covered fountain.

Roman Touch

Servers offer refreshments to parent prom-goers.

Dancing in a Roman atmosphere added a romantic touch to the prom.

Admired by two couples, a bridged pond in the court was one of the decorative highlights.

Assemblies Highlight a Year

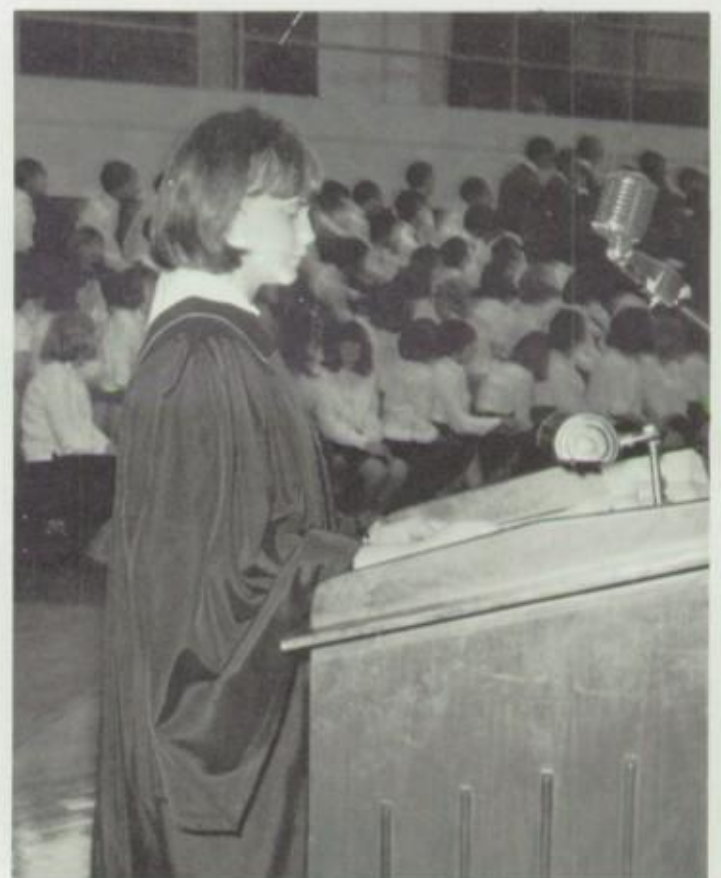

Carey Blue Devil is hung in effigy by Upper Ram at annual rival assembly.

Vital to the success or failure of the football or basketball team is the support of the student body. To assure this support, the Varsity cheerleaders planned the pep assemblies held on the afternoons preceding home games. At these assemblies, the cheerleaders introduced the team members, produced attention-getting skits and activities, and most-of-all, aroused the spirit of the student body with cheers.

Most solemn of all are the two religious assemblies held before Thanksgiving and Christmas. The Thanksgiving assembly sponsored by the Hi-Y and Hi-Teens organizations usually features the Concert Choir and a local pastor to speak. The Christmas assembly, which is sponsored by the Music Department, features the bands and choirs.

Reverend Bruce Davis of the Presbyterian Church gives a talk at the annual Thanksgiving Assembly.

Senior Cheryl Kimmel narrates the Special Ensemble skit at the Christmas Assembly.

of Activities

Perhaps most important of all are the assemblies honoring deserving students. Among them are the football awards assembly, basketball awards assembly, National Honor Society Induction assembly, and the scholarship awards assembly.

To entertain the students, the school obtains, through an assembly service, talented actors, speakers, and performers who present assemblies through the year.

Evilue Bower poses with her likeness created by Mme. Suzanne Silvercruys during November seventh assembly.

Mrs. Jean Van Dyke lectures on the history and techniques of scuba diving.

Gary Maurer and Susanna Scott, both students at Heidelberg, entertain the students at the National Honor Society Induction assembly.

Mr. Vic Hyde demonstrates his musical ability by playing four horns at once.

Dr. Porter Fortune Address

Commencement exercises were held on June 6 for the 1967 graduating class of Upper Sandusky High School. Dr. Porter Fortune, executive secretary of the National Exchange Club, was Commencement Speaker. Dr. Fortune outlined for the graduates three important points for a happier and more successful life in the future. Attired in the traditional blue and white robes, the graduates received their diplomas from the School Board President Justin Hollanshead.

Lead by class sponsors, the Seniors marched to the gymnasium for the Commencement exercises.

The 92nd graduating class marched into the gym to the strains of "Pomp and Circumstance" with Charlene Cassel as organist.

Lead by David Harsh, the senior members of the Concert Choir sang for their number "You'll Never Walk Alone."

Seniors List 54 On Honor Roll

Take a look at those seniors! It takes much work and just a little ability to get 35 girls and 18 boys on the honor roll. With 54 students out of senior class getting a 3.0 (B) average or better, about 37.3% of all the students on the honor roll are seniors.

The juniors take second place on the honor roll with 38 students - 13 boys and 25 girls. Sophomores are third with 32 students, and the freshmen are last with 24.

According to sex, it seems that girls are smarter than boys. Sixty-five per cent of honor roll students (96 out of 150) are girls.

The following seniors are on the honor roll for the second six weeks.

Boys: Tom Bell, Doug'as Diebert, Steven Eatherton, Steven Emerine, Thomas Eyestone, Dennis Jaqueth, Daniel Kin, Philip Logsdon, Eugene Lumberson, Michael Mosman, John Patton, Larry Ross, Mike Rothlisberger, James Rowse, Jeffrey Smith, Gary Steinbaugh, Gary Vent, Steven West.

Suzanne Silvercruys Talks At Assembly

"You never know if you can do something until you try," declared Suzanne Silvercruys, one of the world's most renowned living sculptors, to the student body at the second assembly of the school year.

Mme. Silvercruys related how she began her career in sculpturing. She told some of her experiences in sculptoring the busts of famous people. As she explained the basic procedures in sculpturing and casting a bust, she demonstrated the techniques by modelling a bust of Ev'ue Bower, a junior. Mme. Silvercruys also expressed her pride in being an American citizen and encouraged the students to pursue their dreams. She closed the program with a short poem entitled "It Shows in Your Face."

Some of the student comments on Mme. Silvercruys's presentation were:

"It was very informative and I enjoyed it immensely. She added enough humor to keep one interested. Frankly, I feel it was the best one of the year."

"I thought it was the best assembly we've ever had at USHS."

"I think that it was excellent and very interesting and I especially appreciated her views of being an American!"

In addition to be an excellent sculptor, Mme. Silvercruys is also an author and lecturer. When she was twenty, Belgium made her a member of the knighthood in the Order of Leopold, the highest honor she has received. Great Britain has awarded to Mme. Silvercruys the Cornation Medal and has given a fellowship in the Royal Society of Arts to her. Temple University conferred an Honorary Degree of Doctor of Humane Letters upon her.

Among the well-known personages modelled by Suzanne Silvercruys are: Herbert Hoover, Katherine Hepburn, Jack Dempsey, Senators Taft and McCarthy, and Mme. Chiang Kai-Shek.

Admissions Test Indicate Ability

Approximately 800 colleges and 250 scholarship programs require applicants to submit scores on one or more of the College Board Admissions Tests. These scores, combined with school records, assess the applicant's ability to do college work. The three tests offered are: The Scholastic Aptitude Test, Achievement Tests, and Writing Sample. These tests are prepared by the professional staff of Education Testing Service and a committee of teachers from colleges and secondary schools.

The Scholastic Aptitude Test is a three-hour objective test measuring verbal and mathematical skills considered necessary for success in college work.

The Achievement Test are one-hour tests designed to measure a student's level of achievements in a particular subject field. The choice of Achievements Tests will depend upon the requirements of the college for which applied.

The Writing Sample is a one-hour essay writing exercise on an assigned subject.

No Lincolns In Russia Today Says Reverend Davis

"Believe me, there are no Abe Lincolns in Russia today, and there will be none in the future." Reverend Bruce Davis told the students of Upper Sandusky High School. Although the working class is glorified in the Soviet Union, there is virtually no individualism, said Davis. Advancement like Lincoln's is impossible.

Most of Mr. Davis' address dealt with the immense differences between the American and Russian standards of living. The Russians find it impossible to imagine the high wages of the American worker, and the thought of owning one's home is inconceivable.

The very aspects of our own community such as the many TV stations, groceries, well supplied libraries, and private homes, have no parallel in Russia. Rev. Davis said the Russians are very satisfied and implored Americans to be likewise contented.

During the assembly the Concert Choir sang "Now Thank We All Our God" and "Sine Nomine."

A scripture reading was given by Rebecca Schnepf, President of Hi-Teens. Monte Rome, Chaplain of Hi-Y presented a prayer. Telling the story of "The First Thanksgiving," Chery Kimmel concluded the rehearsed part of the program.

The conclusion of the assembly, Senior Class President, Dean Nickless, led the student body in singing "Come Ye Thankful People Come."

Meet Your Teacher

Each teacher must be an analyst, an economist, and a super-salesman. He has the curiosity of a cat and the tenacity of a bulldog. He possesses the friendliness of a little child and the strategy of a general.

He reflects the patience of a Job combined with the enthusiasm of a Dodger fan. He radiates the assurance of a Harvard man coupled with the good humor of a comedian.

He is not a necessary evil but absolutely essential to the learning process.

His constant objective is to improve you. This requires lesson plan, teaching and testing, correcting papers, continued study in his field, seminars in education, and the determination to drum something into your head.

Homework Prayer

Now I sit me down to study,
I pray the Lord I won't go nutty,
And if I fail to learn this junk,
I pray the Lord that I won't
flunk!

When I die, don't pity me at all:
Just lay my bones in the study
hall.

And tell the teacher I did my
best.

And lay my books upon my chest!
So now I lay me down to rest,
And pray I pass tomorrow's
test.

If I should die before I wake,
That's one less test I have to
take.
